

FINE AND GROSS MOTOR GROUPS KINDY / PRE-PRIMARY

What do these groups focus on?

Fine Motor Skills

- pre-writing patterns
- letter formations
- cutting
- drawing

Gross Motor Skills

- upper and lower core strength
- coordination

Why choose this group?

An Occupational Therapist will assess your child to identify why they are experiencing difficulty with writing or sport skills. They can help your child to improve their skills and learn strategies to support their performance in a fun, supportive and safe environment.
