

# Social Junior's Online

## Overall aims

Helping your junior learn how to make friends, join in and manage their emotions! This group is all about perspective taking, conversational skills, theory of mind and problem solving skills. This group also includes specific social skills around greetings, turn taking, maintaining conversations and politely ending them.

## Who is this group for?

This group is ideal for all children years 1-3 no matter what their ability, confidence level or social aptitude.

## What will I need

- Laptop/computer/tablet to access Zoom
- Coloured markers/pencils
- Blank paper
- Some room to move
