

# New Groups

## Kindy/PP

### Bluey Social Communicator Minis

Come on an imaginative adventure with Bluey and her friends which will facilitate early language skills such as sharing, turn-taking and early conversation skills with a supported play-based therapy approach.

## Year 1-2

### SOS Play with Your Food (Sequential - Oral - Sensory)

This is a food play group run by an SOS-trained therapist. It helps support children with food aversions and sensitivities who eat a limited food variety. Your child will learn to have positive experiences with different foods and textures without the pressure to eat anything. Parents are encouraged to join the group with their child to learn how to support feeding and mealtimes at home.

## Year 1-3

### Little Pokemon Masters

Attention all aspiring Pokémon Trainers! Join us at our Pokémon Training Camp, where we'll embark on an epic adventure to develop our skills and become true Pokémon Masters! Through exciting Pokémon-themed activities, we'll sharpen our fine and gross motor skills, teamwork, visual perception, social skills, creative thinking and hand-eye coordination as we navigate challenges and legendary battles. Join us for a holiday group filled with fun, friendship, and the quest to become the ultimate Pokémon Trainer!

## Year 4-6

### Junior Minecraft Mates Language Group

The group will be targeting cooperative play, working on receptive language (answering a variety of different questions throughout play and activities), procedural narrative (being able to sequence events when retelling others how something was created), maintaining a conversation with others and understanding different perspectives. There is no computer usage.

- Answering a range of conversational questions
- Improve recounting skills/procedural narrative (important for school)
- Maintaining a conversation through comments and questions
- Understanding different perspectives (group members likes/dislikes)

## Hogwarts Magical Society

Welcome to Hogwarts where you'll work with fellow witches and wizards to learn about all things magic. In this group, you'll get to learn about magical potions, creatures, spells and games; so grab your cloaks and wands, and join our magical society! A group facilitating opportunities to develop social skills through gross and fine motor activities, life skills (i.e. cooking) and play skills.

## Junior Pokemon Masters Evolved

Attention all aspiring Pokémon Trainers! Join us at our Pokémon Training Camp, where we'll embark on an epic adventure to develop our skills and become true Pokémon Masters! Through exciting Pokémon-themed activities, we'll sharpen our fine and gross motor skills, teamwork, visual perception, social skills, creative thinking and hand-eye coordination as we navigate challenges and legendary battles. Join us for a holiday group filled with fun, friendship, and the quest to become the ultimate Pokémon Trainer!

## Girls Life Skills

This group is designed to connect and socialise in a supported environment. It will allow the girls to practise their executive functioning skills, emotional regulation, daily living skills and support their social interactions. This group will include baking, a trip to the shops and crafts. The girls will be able to budget and spend money of their own (\$5 maximum) during one of the sessions.

## Junior The Evolution of Pokemon (Year 4-6)

This is a joint OT/SP group which will be targeting conversational skills with others, working on receptive language (answering a variety of different questions throughout play and activities), fine and gross motor skills, teamwork, visual perception, procedural narrative (being able to sequence events when retelling others how something was created), maintaining a conversation with others and understanding different perspectives. There is no computer usage.

## Junior Swiftie Stars

Join our joint OT/SP "Swiftie Stars" group, designed for kids Year 4-6 who are eager to enhance their social skills, fine motor skills, and executive functioning—all through the exciting world of Taylor Swift! Over three/four sessions, clients will engage in creative activities inspired by Taylor's iconic songs and albums. From lyric rewrites to collaborative art projects and friendship bracelet making, each session is crafted to be both enjoyable and therapeutic. Let's come together, make new friends, and develop skills in an environment that celebrates the magic of being a Swiftie!
